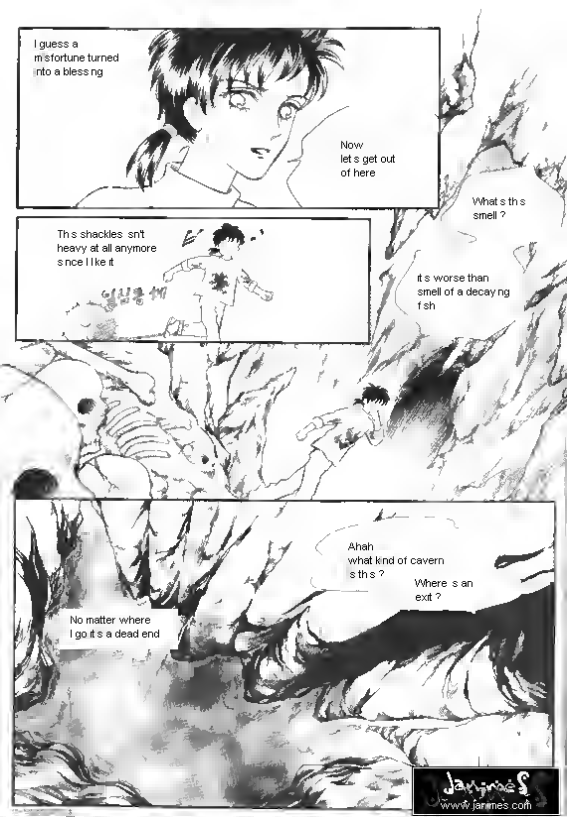
Please ...
Please kill me –
Father –
Where is this voice coming from ?
I beg you !
Please put an end to this life !
Kill me, Mahapara !

What s th s ?
Where am I ? Is this the Hell I've been hearing ?
Am I ... dead ?

I d ed and
was sent to
Hell ?
OF
OF
OF
OF

Phew ...
I thought I was going to die
...a tile on the floor suddenly fell and I fell with it ...
How ...
How did I survive
I am sorry for hating you ...
If you were any smaller...
Hmph !
And you wanted a smaller one...



I guess a misfortune turned into a blessing
Now let's get out of here
What's this smell?
It's worse than smell of a decaying fish
This shackles isn't heavy at all anymore since I like it
Ahah what kind of cavern is this?
Where's an exit?
No matter where I go it's a dead end
Jaimes
www.jaimes.com

It's been a long time since the last time I felt a presence of a human being that has two legs and two arms intact.
Wh...who is it ?!
See the cave in front of you ? I am in there.
.....!
으드득!
Hmm, I don't sense any Asad at all from you.
Why were you sent here then ?

A bless ng ?
Forget that
Ahah I must run but I can't run fast enough with th s damned th ng
Be ng hated aga n
The way it s looking at me
It must see me as a fr ed ch cken or someth ng
Cons der ng pretty much everyth ng here s decayed I guess I make a good food
Ohoh look at th s f ne food

Don't be surprised I am a human
A human can be a cannibal
I think it will jump on me if I turn around
Hey, boy, who are you and why were you thrown into here?
with a healthy body ?
I don't feel healthy at all.
Damned stomach...
That monster must be thinking how to cook me like in Hensel & Gretel.
And no way am I going to even pick that up even if I am about to die of starvation ...

Yeah
I am not
going to
pick that
up
Here mushrooms
Thanks
I feel like I can
eat even poison
So it's not time to
be picky
Do you have
anything else ?
Like fruits ?
Yeah
In Hensel & Gretel
they, in the end, defeated
the witch
If I know my enemy my
chance of survival will
be greater
You are
fastidious about
food, aren't you
What's this place?
Where is an exit?
How dumb you are
you don't even know
where you were
sent
Let's be friendly for
now
This is the
perfect prison
of death.
You can never get
out of here alive.
Prison,
you say ?
But I was in
a prison before
I fell through...
It was probably an
interrogation room.

Jaunes
www.jaunes.com

I don't know how you came here without going through the eight Naraka But you were lucky nonetheless
This place is a crossroad between the first and the last Naraka and a relatively safe place to be
I don't know what you are talking about
Naraka is the most infamous prison in Para empire
Such as rebellions are sent here They go through eight different interrogation rooms
And they are sent to eight different prisons
Most don't make this far Even if they manage to survive
They are disabled So by the time they are thrown in here there is no chance for them to attempt to escape from here
Especially if one is not an Asadi user the chance is absolute zero

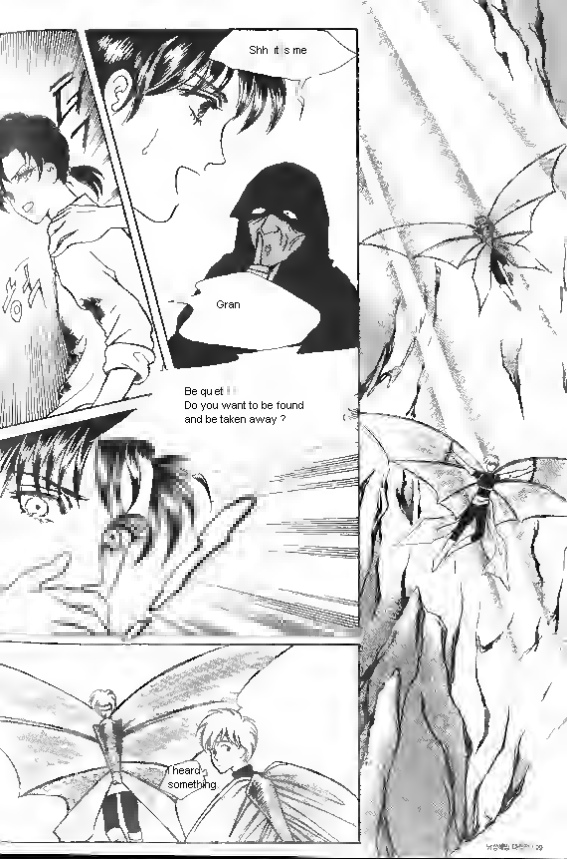
Are you say ng I have to eat those decayed corpses and get old I ke you ?
Old say ngs mean noth ng ! Noth ng works!
mush room, too
Old
Do I look aged to you?
Well
My memory of see ng Sun and Moon s hazed I guess I have been n here for a long t me
What d d you do grandma?
Do I look I ke a conv ct to you ?
you are not ?
To me you look I ke a conv ct
You are wrong boy Even Naraka cannot conf ne me

If I want,
I can leave here
at will.
If anyone can be
of an exception,
this wouldn't be
alled Naraka.
It's been fun talking
to you. You see,
it's been such a long
time since I talked to
anyone.
Besides,
you are only
an ordinary
human.
Liar,
who would stay
here intentionally?
Wait,
grandma
And you said that
this is the perfect
prison.
No
Mentor !
Exception
...
Exceptions
do exist.
Could be ...
Now...,
excuse me.
Teach me how
to turn into
an ameba
like you !
Hey -
don't just leave
me here all alone !
I want to be an
exception.
Please help me

What a mean witch
If she had fun talking to me... she could have at least helped me
Himmph you thought I was some cann bal

Noth ng here
We searched the whole Naraka Where could he have fallen to ?
Maybe ...,
the "hole" ..

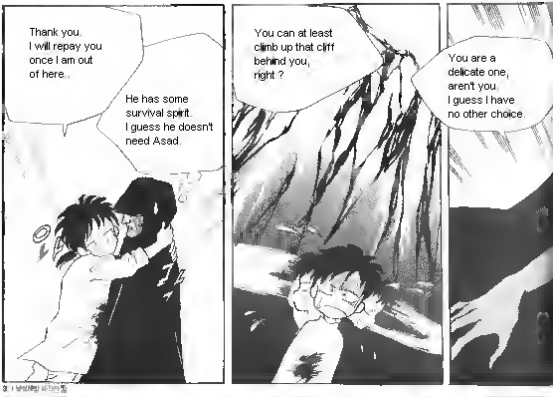
Do you know where it is?
The deepest part of Naraka
What an idiot
He could have never fallen to the deepest part
He fell from the first interrogation room. So it's either the crossroad or nearby Naraka
Maybe, he's dead
Even if he is, we have to find his corpse
Quit chatting and search over there
Few bones of his may have broken but he is most likely alive
The emperor is going to interrogate him
We must find him before she finds out that he's gone
www.jaanmes.com



Shh it's me
Gran
Be quet !!
Do you want to be found
and be taken away ?
I heard
something

Follow me.
I will get you out of here.
.....!

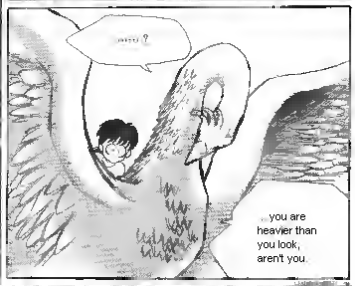
She is going to teach me how to turn into an ameba.
...I can leave this hellhole ?!
Monster -> Cannibal -> granma ->witch -> ma'am
Ma'am...



Thank you. I will repay you once I am out of here...
He has some survival spirit. I guess he doesn't need Asad.
You can at least climb up that cliff behind you, right ?
You are a delicate one, aren't you. I guess I have no other choice.

우

Get on my back.
캑
짝 짝 짝
You must be a wizard



...you are heavier than you look, aren't you.

What s that
with you ?
It s a shackle
If it wasn't ths
I may have been
dead
You alone s heavy enough
Do you really expect me
to carry that ?
Don't kd me !
I am go ng
to take th s
home and
make it

Ah my shackle !
I may be n a d fferent
shape but I am st'll old
I can't r sk hav ng sp ne
problems just because
of you

My job s done
It s your home
Home?
W wait could you take me elsewhere?
You don't like your home do you
Anywhere but here is my home!
www.janimes.com

Be careful now. Farewell.
Ah, please wait.
You've come this far. Why are you going back ?
Come with me.
It's not Naraka that is holding me.
It's
a pledge that will be broken by death.
Oh, yes. It's yours, isn't it ?
My glasses
It's broken. I can't see anything clearly.
It's no use if it's broken?
I must have held it too strongly.

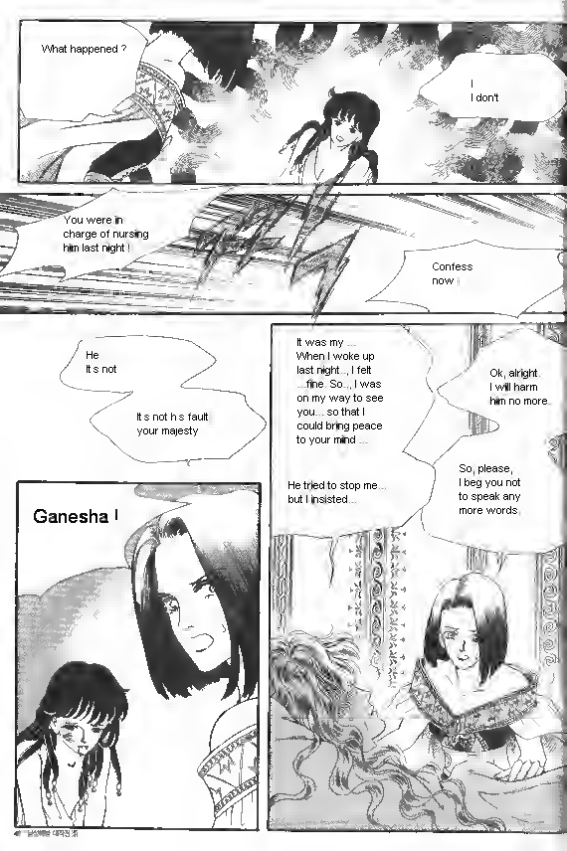
At least have th s
though it s broken
Thank you
Thanks for sav ng me
I w.ll not forget what you ve done for me
The one you should thank s Esana
I was only do ng what he asked me to do
Esana ?
He has sacr f ced half of h s l fe just to save you

I do not know what your existence means to him.
But you should not forget his sacrifice.
Who s it
Esana
If he w shes to h de the truth, he must have h s reasons
I don't understand
Esana ?
I don't even know who Esana s
Ma am

But h s truth has noth ng to do wth you So don't worry
By the way you
Is Esana aware that that person s a she ?
Yes ?
Neverm nd fare thee well

www.janines.com

I s ncerely hope that th s truth w ll not hurt h m anymore than he already s
What do you mean that he has gotten worse ?!
He s bleed ng from the wound
and I cannot stop the bleed ng
He isn't going to make it at this rate.



What happened ?
I
I don't
You were in charge of nursing him last night !
Confess now !
He
It s not
It s not h s fault your majesty
It was my ... When I woke up last night .. I felt ...fine. So.., I was on my way to see you.... so that I could bring peace to your mind ....
He tried to stop me... but I insisted...
Ok, alright I will harm him no more.
So, please, I beg you not to speak any more words.
Ganesha !

If he keeps bleed ng

I can But bleed ng

He wasn't bleeding
last night. And he
was fine last night!
Now look at him,
he looks so pale!
The palace doctor
said he'd recover
fine.
But it doesn't
make snese that
I cannot believe such
an unskilled doctor
is in charge of the
palace.

Guards !
Get this doctor out of here and send her to her doom !
Spare me !
S, sire !
Sire !
Call a royal doctor
It won't work... Garuda was supporting my life ...
No !
Call every palace doctor and royal doctor !
Two kind of doctors in the palace
Palace doctor
Like the title says they are general doctors of palace
Royal doctors
They are in charge of noble family as well as royal family

Probably because they are cous ns and spent ch ldhood together
Wait

I apologize if I surpr sed you What s your name ?
S re. Edn l s a mute

No wonder

I see that the rumors weren't false.
Too bad ...
If you had a voice, I am sure it would have been one of its kind.
Minda
General
Yes my lady
Is it alright for me to spend some time with your men ?
So that was her intention for coming here
You don't enjoy your men anyway
If you are going to waste them. I might as well enjoy them

I feel like it's been like 3 years

What's next ?
Meal time
Oh yeah ?!
Every trainee here will eat together.
Hey, at least clean your face. I suppose you know that much, do you not ?
You haven't washed your face ? Washing stand is over there
Well there's supposed to be an enemy always no matter where one goes

Hey does he eat like that every day ?
I don't know
I told him to have some manner
I hadn't eaten anything for 4 days. This is only normal.
Maybe, I lost some weight .
Neil
Why are you here ... my mortal enemy
You know, mortal enemy s always near
Su Ha's
Danum s
Ah your dish has a lot more than mine
Look at that
Why don't you control your appetite
When I saw you for the first time I thought you were some hippo

You certainly have a rough tongue despite of your appearance
I bet women refuse you even if a dozen of you are presented
I bet you will be forever single
Don't worry I wouldn't choose women who beg me to have me.
Lie -
He isn't kidding at all. Danium is a university graduate.
University ?
Hmmph ! You call that university ? All I can do after graduating is become a chef of the palace or a tailor...
Or settle down with a noble woman.
Anyway... you are something
If you wanted you could have had a peaceful life But you gave up on everything and chose to come here
Yes but you will end up with a noble woman. Certainly different from fate of ordinary men
You could be a husband of a powerful woman
What's the point ? It doesn't matter a different that I am being sold
I will be sold at a higher price that's all !

Hmm
that bastard
seems to have
a strong bel ef
I was told that this place is
an ancient ruin.
The ruin I saw when I first
got here resmebles this
place. Anyway, I think this
ruin was a great building
once in its own time
Not everyone can come
here You see the elder
has placed a seal over th s
place So unless they
know where they are
go ng they won't even
not ce here
I don't know about
seals and stuff
But I guess that s that
f he says so

Why do I need to be an errand boy ?
Well you seem to be close to him
You do speak to him openly
He s hard for us to deal with Even though he is still young he is a leader of the silver wing
Silver wing ? What s that ?
Silver wing is one of two wings that make Laharshta
In another word sir Danum is a very high ranking officer in Laharshta
Suha, would you take this tea to Sir Danum ?
Complicated they are like freedom fighters What s up with rankings?
Here take it to him before it gets cold
Ok

Green tea
Anyway, it seems clear that this bastard is certainly an important man
Leave it there
What you don't even look back ?
No wonder you men don't want to do this errand !
If you are an errand boy, act like one !
I will leave now

He looks normal ...
It's very hard to believe
that he is a very powerful
Asad user...
I still can't ...
knock

you see

I can talk somewhat

Who does the

Ah you see
What ?
You compared
me to that k nd
of character ?
Well Ne l s a

a manga
Candy Candy
Really
I am not
ly ng!
And it's not
only that...

Anyway
I do have my
own name
So stop address ng
me wth that we rd
name
What s it you
wanted to
ask ?
it depends
on who it s
Um _ would you be
able to f nd someone
wth just a name ?
Um ...
Do you know
someone named
S va ?
— h

...It puzzles me that how you know the name
So, you know ?
Long black straight hair with dark blue eyes
he's handsome
...I can't say. The person I know may be different from the person you say.
And he's with a weird tiger named Dryuga
Please Danum help me to locate him

. . I don't know why you are looking for Siva, but shouldn't you get your priorities right ?
What ?
I am saying... shouldn't you ask about Ganesha first?
I don't really care about him. But I am talking about decency here.
If I am not wrong . . , he took a sword for you.
And yet you have shown no sign of concern about his sake.

I....
Pitiful . . . for him, isn't it. Risking life for someone who doesn't even care.
Of course, what he did isn't going to change my view about him.
Anyway, I can't say that I like you now.

How is he ?
His condition has gotten worst. The emperor has called every available doctor.
He may well be dead now.
Ganesha won't die easily!

Jamjames
www.jamjames.com

You are worrying about him now?
I really don't like you now.
Just let you know, I don't acknowledge you whether you are a powerful Asad user or not.
Remember that.
Fine.
I won't ask you again.
And I will find Siva on my own.
The legendary Siva only exists in tales
He doesn't exist in reality
I even question integrity of such tales that contain stories of Siva

I do not know how you came across that name. But I advise you to forget him.
Silva...
- No !
I will find him. I swear !
He is supposed to be the leader of the left wing, Dark Moon. However, under any circumstances, he has shown his appearance. Therefore, I had no doubt that he was a fake... until now.

Laharshita needed a legendary hero. And for that, Siva's tales were created. That was what I thought ...
That bastard
He does ex st ?

janimes
www.janimes.com

Yeah
Dan um
seems to
know
Are you
talk ng about
Dark Moon
S va ?
Dark Moon ?
S va
People call
me Dark
Moon S va
Yeah...
that s r ght
Dark Moon S va
So you know
Anyone n
Laharshita
knows

He is God of War.
We did tell you that Sir Danum is the leader of the right wing silver wing right ?
Svalis the leader of the left wing Dark Moon wing
I want to meet him
How can I meet him ?
You better give up
Why ?
Meet him ?

Trainees like us can't meet someone like him in person
Besides I've never seen him before I've been here for few years though
Maybe that's not all
Are you saying you don't even know how he looks like ?
Since he's one of the leaders he might come to the main hall sometimes
Maybe it's just that we don't know his face
No one knows how he looks like
What the
Sir Siva's appearance ?

Well
I heard that he's quite weak looking unlike such tales
I heard he looks like an average middle-aged man
I don't know about his appearance But he may be pretty old
My father told me that Sva's tales were popular in his time as well
Bards favorite songs often have a lot to do Sva's tales as well
He is old ...? That can't be When I saw him, he looked like he was only few years older than me.
I don't know when and how you came cross him. But he may have well been a fake.
I've seen such cases all the time.
Even if you did see him, there is no telling that what you saw was his true shape.

Dark Moon s a spec al d v s on
Even the high ranking officers of Laharshita cannot underestimate them.
They handle the most hard and risky missions and are consisted of very powerful Asad users
In fact..it s safe to say that 90% of offens ve powers are from Dark Moon
For our enemies, they are the most risky opponents.
Jahmes
www.jahmes.com

They are always targeted.
Therefore, they don't stay in a place for long and always use fake identity.
What we hear s his tales and name only
So in another word it s not possible to meet him
Dark Moon s everywhere and yet doesn't ex st
And I am talking about normal members of Dark Moon
So, if it s Sva, the leader your guess s just as good as mine
The legendary Sva only ex sts n tales
He doesn't ex st in reality
Who knows
Maybe one of us here s a member
what?

Or are you one of them ?
Haha..., nice try...
. . They are serious..

Its Sr Yusad
Hs har s
really beaut ful
What we've
discovered so
far is that .
At least 30 were

Hs har s
as dark as

and he always

Anyway
I thought I was
one step closer
But the more I ask
the more I am

There s

Cons der ng
there are other

number is expected
to be much higher

We have not located the r leader Touch ng them now w ll only make th s job harder
Just keep your eyes on them very closely
I understand
Should we get r d of them ?
Sr th s s off topc
But s th s man Suha trustworthy ?
No
Let them be for now
Your po nt ?
My men reported that he may be a spy
Ah that
Apparently he s been asking about Dark Moon Siva and Sr Yusad

www.janimes.com

It s not that
It s not ?
Then what is It ?
About Yu sad
Can I meet him ?

... Are you a spy ?
What are you really ?
What is your true
purpose of being here?
What are you
talking about ?
You've been asking
people about
Laharshita's core
leaders. What you've
been doing is
an extremely
suspicious activity.
Haven't you
noticed that
people are
acting a little
unnatural
in front of you?

That s
I d dn't mean to
If I hear another word about you I am not go ng to just gnore next t me
I am warn ng you

Can't you do anything properly ?!

If you are no good at sword then be good at something else like archery or cooking
Ack!
Or even laundary at the worst
Ack!
Danium!
Is there a reason for being so cruel to me?
A reason?
(scary grin)
I don't want you to practice with me
Because I care about you
This is my way of showing that I care
So just suck it up! You need to start from basics again! Look how you are holding the sword! No good!
You aren't going to fight any women with a skill like that!

I am jealous Sir. Danium is paying more attention to him.
Jealous ?! I am pretty sure they are relelved that they were the ones that were taken.
Yeah. I want h m to teach me personally too
Not useful at all.
Ganesha - are you alive or ... ? Can you at least contact me somehow
He is ... torturing me in name of "practice" !!
I can't f nd Siva ether I don't know why I need to stay here
Yeah I see no reason to stay here
Jaxinés

You sound as f
I am noth ng but
an obstacle

You've got that right.
I am the savior of Laharshita !
That's why I came here with an invitation ! Everybody knows that !
Savior and invitation ?
Do you even know what you are saying ?
All you do is eat and complain.
You ... hit me again ?
and twice.
Yes, I did hit you. What are you going to do now?
Suha, calm down...

I've had enough of you!
Do you think I am a sandbag? You pick on the weak and enjoy it!
You are the typical type of an evil
My goal in my life is to exterminate ones like you
So, Mr. Savior, is that all you've got? Your swordsmanship is just as bad as it could get. You talk big only and you've got nothing to backup
Before liberating men people must liberate themselves from you!
Shut up!!
Wow..., they are even practicing in there?
That's training, I tell ya.
So, you've run out of breath already, Mr. Savior.
I will get my appetite back since I won't be seeing you again
Since you've decided to leave. I want you to leave as soon as possible
You

I am glad that you d dn't quit

So adapt yourself qu ckly and be a good warr or of Laharshita

Don't be so mean to Suha Danum
Do you know th s ?
The more I spend time with h m actually tra ns my pat ence

He is too hot headed and always so loud I can't stay clam n front of the guy
I am even feeling physcal Imitation
I am just worried if we are mistaken about him
Anyway what s the deal with the guy ?
I haven't sensed any Asad at all from him
What did Sir Yusad say ?
Asad doesn't always emit
Depending on how a user trained himself it may vary
Even if he is not an Asad user I don't see it as a big deal He could well be a good comrade
Let s observe for a while

Are you say ng
even f he is not
an Asad user
h s ex stence s
necessary for
us ?
That s correct

Is he someth ng
to do with S va ?
He wants to meet
you

How he descr bed S va

How so ?
Why ?
When t s the r ght
t me I shall

Why do you th nk
he s postpon ng to
meet h m ?
Are you th nkeg
that S va and
Yu sad m ght be
the same person ?

I think it is certainly a possibility.
Not only Suha's description about Silva is very similar to Sir. Yuisad and his reaction about Suha was questionable as well.
He has met every member of Laharshita. Why not him?
Damn it Why did I say that I'd stay ?
That Ne I always bull es and gnores me
No it must have been that my ex stence was too much for h m Let s just th nk that way
I have to go on... I decided to be like Candy a long time ago I have to endure...

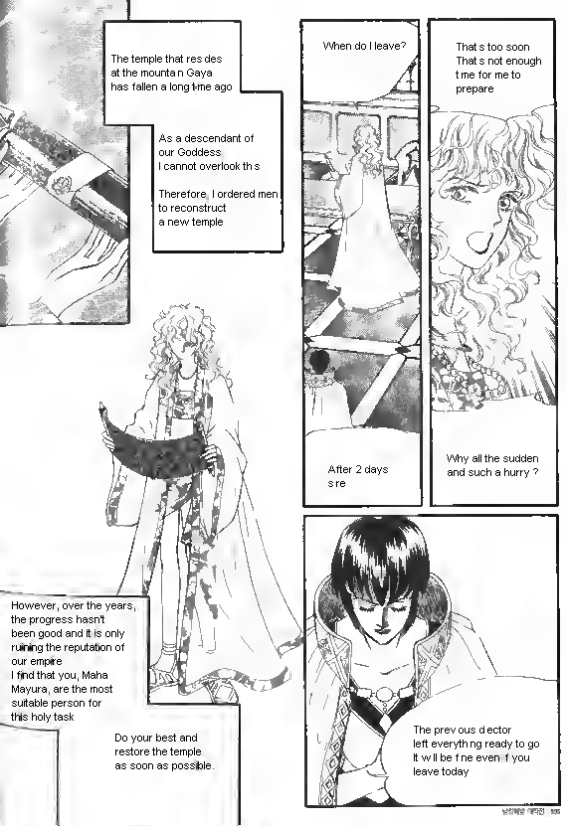
What ?
Why me
Why do I have to d rect
construct on of the
new palace ?
I don't want to l ve
out n the remote reg on ! !
You are jok ng r ght ?
It has to be wrong
Frada ?
It s her
majesty s
words
.....



The temple that res des at the mounta n Gaya has fallen a long t me ago
As a descendant of our Goddess I cannot overlook th s
Therefore, I ordered men to reconstruct a new temple
When do I leave?
That s too soon That s not enough t me for me to prepare
After 2 days s re
Why all the sudden and such a hurry ?
However, over the years, the progress hasn't been good and it is only ruining the reputation of our empire I find that you, Maha Mayura, are the most suitable person for this holy task
Do your best and restore the temple as soon as possible.
The prev ous d ector left everyth ng ready to go It w ll be f ne even f you leave today

That cold bitch !
She would send her only sister to such a place ?! Who gives a damn about a temple ?!
If it is that important, she would have made a holy priest to do it !
The conflict that you and the majesty have been having is not new , sre

I know!
But why didn't she let the church take care of such a task ? Why did she have to butt in ?
She s such an control freak!
it looks like she wants to teach you a lesson As you know she doesn't like your activities She may be hoping that you'd change your attitude while being away
So she wants to turn me into one of those boring people ?
I'd rather die
She certainly doesn't like your lose attitude
Please choose your words carefully The majesty s network is powerful and thorough
And she s not a kind of person who'd show mercy because you are her sister So you must be careful

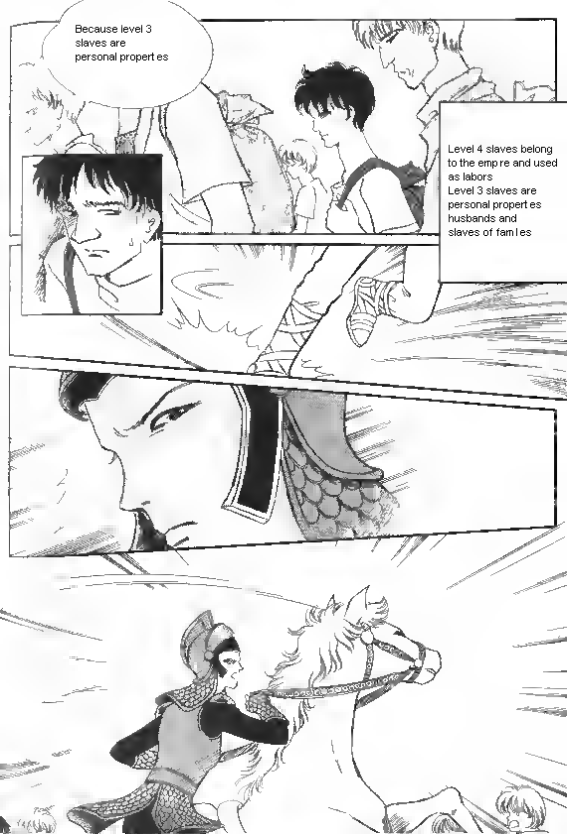
Slaves are heading to the holy mountain
The terrain is too rough and their work load is too high. I heard most of them die due to overworking.
The gossip is somewhat true that the temple is being built on a foundation of bones.
Is it just me or more slaves are being sent to the mountain every year?
Well that's a lot of slaves
At this rate, level 4 slaves will be extinct in this city
You've got that right Level 4 slaves are already low on numbers So they even summoned level 3 slaves for this
It seems the citizens are against this as well



Because level 3 slaves are personal propert es
Level 4 slaves belong to the empre and used as labors
Level 3 slaves are personal propert es husbands and slaves of famles

They was uncalled for
Probably a warn ng to other slaves
It s not like that s go ng to prevent those who ve made up ther r m nds
They are already on ther trp to death anyway
www.janimes.com

Still, choosing to die and having to die are different.
The current empreor is becoming more reckless every day.

The empreor is already one of the most powerful ones in the history. Why dare to touch the sacred temple ?
.....What is she planning to gain by losing trust from her own people...
But it is not all her faut The faut also les with her followers as well
At a time like this it seems there s no decent vassal around the empreor
I believe some have tred but they ve lost ther lves for doing so Now everyone is just afraid of the emperor and busy to flatter the s re
it s bad
They are those who ve sworn to do what s right for the empire In order for an empire to bloosom fellowers must not be afraid of giving solid advices and the emperor must be able to listen

Please do not be concerned too much. The current emperor may be reckless, but she is also wise.
Our empire has become strongest of all after she has taken the throne.
....Stronger light bears darker shadow.... One must know how to balance....
Excuse me

It's you sire

You've breached the discipline of the army and harassed a private property.
For your punishment, you will be beaten with a cudgel 30 times.
Ednil, you are a mere slave and you've harmed a woman. Therefore ...
Stop.
General are you valuing that slave more than us ?
You are punishing us for harming a mere slave and that slave harmed us as well This is not fair that he is not going to receive any punishment
I fear how the slaves will look down on us when they hear about this Please reconsider
Trying to protect one's dignity is not something that should be punished for it's something that should be praised

You should thank him

Why should I?
Do you know what he said?
You really have no clue, don't you. Having been to Naraka wasn't enough?
I don't even know why I bothered to help you.

And I came across a fact that there is Siva's counterpart that was a human
I believe the problem lies where you overrate Siva's overall powers.
It can also control Siva far better than us. Rightful ownership will bring Siva's powers to its full potential
And the counterpart has managed to give Siva feelings and emotions
Let's say that we did manage to use Siva's powers
Do you think that will solve everything?
No
I've never thought that physical powers will solve everything

I am aware, sir
Our true enemy is not women, but the culutre and social structure that has passed down for thousands years.
Even if Siva could use 100% of his powers ...it wouldn't be solved
But at least we will be able to collapse Mahaempire
In the history of Para Mahaempire has been suppressing men the most. Therefore I believed that destruction of Mahaempire was our first step to freedom
However
I see
